

# Unit test for equations

The author

January 18, 2023

This document is a unit test for equations.  
This is an equation.

$$E = mc^2$$

This is another equation.

$$E = mc^2 \tag{1}$$

This is an equation that uses the original L<sup>A</sup>T<sub>E</sub>X display math commands  
(preserved by `AC@displaymath`):

$$E = mc^2$$
